HAVE YOUR SAY ABOUT THE FUTURE OF WALTHAM FOREST

• We want to hear your views, take part in our consultation

Cllr Clare Coghill, Leader of the Council

As the new Leader of Waltham Forest Council I am making it a priority to listen to what residents have to say and work with you to champion our fantastic borough.

We want you to tell us what is important to you so we can make some big decisions about the future of the council and how we spend your council tax money.

It is a time of great change in Waltham Forest – more businesses are setting up here, new shops are opening all the time and more people want to live here.

This change has created many opportunities for residents such as more jobs and better facilities but it has also brought challenges such as population growth, traffic and higher house prices.

Over the past few years the Council has worked hard to manage these issues – we have opened the Feel Good leisure centre and upgraded others, improved our parks, built more affordable housing, clamped down on rogue landlords and improved our town centres, to name but a few.

But there is much more to do and we must do it with less money than ever before.

Please get involved and make your voice heard. There are a number of ways you can get involved. Go online to **www.walthamforest.gov.uk/conversation**

Come to one of our road shows over the summer and have a chat over a coffee or go online and fill in our short survey. However you get involved, your view matters and will help us to improve quality of life for everyone in the borough.

ALL THE BIG DECISIONS ARE DISCUSSED OVER A CUPPA. TELL US WHAT YOU THINK.

Waltham Forest

WHERE EACH POUND IS SPENT

The Council spends its money on a range of services and prioritises the ones that you told us are most important to you.

Many of these are everyday services including things like roads, schools, parks, leisure centres, libraries, and waste and recycling collections.

In addition it helps us provide services that you may not be aware of but play an important role in helping to keep you safe and healthy.

We also provide vital services for the most vulnerable residents within our communities, including those services that you might not need now but could rely on later in life.

OUR NEW PRIORITIES

Waltham Forest Council is holding a consultation with residents this summer, and we want you join in the conversation. We are committed to improving quality of life in the borough. We have therefore identified three priorities to focus on over the next year. They are:

- **Keep the borough clean and safe**
- **Work to ensure everyone has a decent roof over their head**
- **Improve our residents' life chances**

We chose these priorities after listening to residents' feedback from residents via customer services, surveys and other research. We have also reviewed the local data we hold, such as employment rates, crime levels, housing and environment.

PRIORITY 1

Keep the borough clean and safe

- **Crackdown on fly tipping hotspots and prosecute the perpetrators**
- **Work with the Police to reduce anti-social behaviour and knife crime**
- **Make sure our town centres are vibrant and welcoming**

Residents regularly tell us that what matters most to them is to live in a clean neighbourhood and to feel safe when out and about in the borough. We have chosen these priorities after listening to your feedback and looking at local data from our Neighbourhoods team and the Police.

Clean and Safe

In 2016/17 there have been a total of 4,971 reported incidences of fly-tipping compared to 6,698 fly-tips in 2015/16

Clean and Safe

Reports of Domestic Abuse increased by 2% in 2016/17

Action plan to improve residents' quality of life

New Leader of the Council launches programme of action

Cllr Clare Coghill, who is the first female leader of Waltham Forest Council, set out three priorities when she became leader in May.

These are:

- Keep the borough clean and safe
- Work to ensure everyone has a decent roof over their heads
- Improve residents' life chances

The programme of action which will be delivered over the next year will help the Council to reach these goals.

At Leyton Carnival on Saturday, Cllr Coghill said there would be a crackdown on flytipping, a programme of pavement cleaning and new technology to improve the way residents report problems in their neighbourhood.

She announced that local residents would get first refusal on affordable housing built in the borough and launched a new offer for young people to help them navigate the housing market.

She also announced that the Council is about to take in the first of 10 families of Syrian refugees and help them set up home in the borough and that the Council has been accredited as a UK Living Wage Employer.

Cllr Coghill said: "I am incredibly proud to become Leader of the Council, especially the first female leader.

"I believe this programme of work will transform the lives of residents in the borough and also gets to the very heart of what I stand for.

Cllr Coghill also launched a consultation with residents over the summer to get their views on what the Council should prioritise its money on.

She said: "I want people to feel proud to live in Waltham Forest. I want to work with residents, not just for them, and to do that we also need to listen.

That is why I am also launching this consultation and I hope you will also take the opportunity to have your say."

New Mayor, Cllr Yemi Osho

New Mayor appointed

Councillor Yemi Osho has been appointed to be the new Mayor of Waltham Forest. She was nominated by the other councillors at the annual Council meeting in May, taking over as Mayor from Councillor Peter Herrington. Councillor Osho is a distinguished nurse practitioner with more than 30 years of service. She was awarded the title of Queen's Nurse in 2012 in recognition of her commitment to providing high quality care. The Mayor has nominated Diabetes UK as her chosen charity during her term and will be fundraising with the charity to support local diabetic services.

Safety reassurance for residents after Grenfell

Mayor Yemi Osho and Council Leader, Cllr Clare Coghill lead a one minute silence on 19 June, to honour those who died in the Grenfell Tower disaster

Following the tragic fire at Grenfell Tower, the Council has reassured residents that their safety is a priority.

Investigations immediately after the fire confirmed that no Waltham Forest council blocks use the same cladding as Grenfell Tower and are therefore not listed as one of the 600 blocks nationally which have potential issues. For that reason the Council has not been asked to submit any samples for government testing.

Steps were immediately taken to recheck all fire safety regulations and the council is confident they have all been met. Within 48 hours a leaflet was sent to all residents living in council tower blocks reminding them of safety guidance and informing them about the council's response. The council is currently working with the Fire Brigade, private contractors, housing associations and neighbouring boroughs to make sure all local housing meets fire safety standards.

Councillor Khevyn Limbajee, Cabinet Member for Housing, said: "What happened in Grenfell was a terrible tragedy and our deepest condolences go out to all those affected. Waltham Forest Council acted quickly to reassure local residents. We will now watch closely for any new recommendations that emerge and stand ready to implement them in order to keep people safe."

O's under new ownership

- **Good news for Leyton Orient fans as club is sold to businessman**
- **Sale ends series of difficulties both on and off the pitch for club**

End to financial woes for Leyton Orient Football Club

There was good news for Leyton Orient football fans last week when the club was sold to Dunkin' Donuts CEO, and life-long fan Orient fan, Nigel Travis.

The sale brings to an end the three year reign of Francesco Becchetti which has seen the club mired in difficulties both on and off the pitch.

New owner Nigel Travis has promised to turn the club's recent woes around and, in a statement, he said 'We have challenges in front of us, and I am not under-estimating those. However, over the long-term, we believe we can return the club to the Football League'.

The sale has followed significant work undertaken by LOFT (Leyton Orient Fans' Trust) with support from Waltham Forest Council. The council has written to the Football Association several times to stress the importance of the club to the local community and has continued to assist LOFT with their campaigning efforts and has given them free access to use the Assembly Hall for public meetings.

Cllr Clare Coghill, Leader of Waltham Forest Council, said 'Leyton Orient is a great part of our borough's history and an asset to both our local economy and our local community. I hope these latest developments prove to be the first steps in securing Leyton Orient's long-term future.

What you say

Residents tell Waltham Forest News what they think about the leader's priorities.

Akram Allam, Leyton resident and local business owner

Life Chances – "I think business hubs could be a great way forward for young people. Having a place where they can meet advisers, present their ideas and get advice. A place where they can just pop in and say 'Hey, I've got this concept. How can I move forward?' Then the adviser can let them know they need to make a business plan."

John Struthers, Local resident and self-builder

Housing – "I think it is important to boost the supply of housing in the borough and I think a great way to do that would be community self-build. By using economies of scale we can benefit other residents who want to help themselves and I really believe Waltham Forest could be leading the way in this area."

Andrea Munoz, Walthamstow resident

Environment – "I really like the road improvements that the Council is making in the borough. We really need to make the city and the borough slow down and especially slow down with cars and pollution. I think it looks much cleaner without so many cars and it makes it more comfortable and safer for neighbours around the borough to wander around."

Poppy Flint, Local artist and Walthamstow resident

Culture – "I have lived and worked in Waltham Forest for seven years now and have been really inspired by the arts scene – particularly the Arts Trail in E17. It felt very inclusive and open to all sorts of groups, organisations and individuals that weren't necessarily in the traditional frame of arts and culture and that is something I really respect and think is really important."

Sheila Thorn, Walthamstow resident

Health – "I think health services locally are pretty good and they always have been, but in the last few years we've had so many new people coming into the borough and so many new buildings going up and yet there is no increase in infrastructure, so I can see that is a problem that is going to get worse and worse."

Have your say on plans for the Mall

Capital & Regional's proposals include new shops, leisure and restaurants

Proposed new retail, leisure and restaurants

Drop-in sessions for residents to view plans

The Council has received a planning application from Capital & Regional, owner and manager of The Mall Walthamstow, for the redevelopment of The Mall and Town Square.

Proposals include new shops, restaurants and leisure facilities, improvements to the town square and gardens and high quality homes located in four separate tall towers above the Mall.

Also forming part of the plans is the installation of water jets between hard and soft landscaped areas, new public space, an activities and events space, and an improved play area which would be better integrated into the newly improved town square.

Capital & Regional have been sharing their redevelopment plans with local residents over the last year, through a series of workshops, public exhibitions and local community meetings.

The Council will now review the application, with a likely Planning Committee date in autumn 2017, and has launched a formal consultation that will run until the end of July to ensure residents and businesses can have their say. It will hold two drop-in sessions to support members of the public to understand and comment on the application.

Drop-in sessions will be held on Monday 3 July, 1-3pm and Thursday 6 July 5–7pm at Walthamstow Library, High Street, Walthamstow, E17 7JN.

The Council's preferred method for receiving consultation responses is through its online comments form or you can visit **http://walthamforest-consult.limehouse.co.uk/portal/pa/171355themall**.

Alternatively, you can email your comments to **dmconsultations@walthamforest.gov.uk** or by post to: Development Management Section, Sycamore House, Waltham Forest Town Hall Complex, London, E17 4JF.

‘Love Whipps Cross’ campaign needs your support

- **Council campaigning for a world-class health and wellbeing campus**
- **Ambitious plans to provide 21st century healthcare and community based social care**

The Council’s ‘Love Whipps Cross’ campaign launched two weeks ago, calling for residents to get behind plans to transform Whipps Cross Hospital into a world-class health and wellbeing campus.

Whipps Cross Hospital has proudly served the local community for more than a hundred years and while it continues to provide effective healthcare for local residents, the buildings are in urgent need of modernisation, many pre-date the founding of the NHS. New ideas are needed for the way that local healthcare can meet the needs of a growing and ageing population.

The Council has worked with Barts Health NHS Trust, clinical commissioners and the North East London Foundation Trust (NELFT) to develop a joint vision that retains the best of Whipps Cross Hospital and creates a campus that provides healthcare and community based social care to meet the needs of the community in the 21st century. To turn our vision for a new Whipps Cross into a reality, we need your support.

Later this year, there will be lots more opportunities to get involved and help shape the project as Barts Health NHS Trust develops detailed proposals for the site. Find out below how you can support the ‘Love Whipps Cross’ campaign.

Council Leader Clare Coghill said:

“This campaign is a once in a lifetime opportunity to redevelop Whipps Cross into a world class health and wellbeing campus. We want as many people as possible to sign up to our campaign to ensure it becomes a reality. There will be lots of different ways that residents will be able to get involved in the campaign and pledge their support for a new hospital and campus at Whipps.”

“Whipps Cross has a proud place in our history and has served our community exceptionally for a hundred years. We want it to continue to deliver excellent care well into the future and that is why we are launching our campaign.”

Council Leader Cllr Clare Coghill, Cabinet Member for Health Cllr Naheed Asghar and Chief Executive Martin Esom launch the campaign

Why we need a new hospital

43% 43 per cent of the hospital’s current buildings pre-date the NHS

25% BY 2025 The population of older people locally is set to increase by 25 per cent by 2025

450 450 people attend Whipps A&E each day, making it one of the busiest in the country

1,600+ Over 1,600 people are seen at Whipps Cross every day and this number is increasing all the time

How to get involved in the campaign

- Download, print and display a poster in support of the campaign
- Sign our online pledge, supporting the campaign
- Change your Twitter or Facebook profile picture to support the campaign
- Tweet in support of the campaign #lovewhippscross

The ‘Big Map’

Over the summer we’ll be asking people to get involved with the ‘Big Map’. Write your reason for supporting a new Whipps Cross on a post-it note and stick it where you live on our massive map of the borough. We’ll collate all your responses to help show why a new hospital is needed.

- Saturday 15 July — Walthamstow Garden Party, Lloyd Park, E17 5JW (12noon-9pm)
- Sunday 6 August — Mela, Chestnuts Field, E17 4JF (10am-10pm)
- Saturday 12 August — Chingfest, Ridgeway park, E4 6RS (1-8pm)
- Sunday 3 September — Leytonstone Streetfest, Church Lane area (12noon-6pm)

Walthamstow resident, drum & bass enthusiast and IT business owner, Charlie Willenbrock, talks about his experiences at Whipps Cross Hospital, and why he's supporting the campaign,

"I've been to Whipps Cross several times over the past few years - to A&E, as an in-patient and as an out-patient. The doctors and nurses are brilliant, but I can see how a new hospital would make a big difference.

"I'm happy to support the campaign to make sure that patients and everyone who works at Whipps gets a better hospital – and I'd definitely like to see more investment in our healthcare."

Residents tell us why they support our campaign

WHIPPS CROSS

Owais Khan

"A redevelopment of Whipps Cross would be good for local people and the community. It would bring many advantages, especially for older people in the area."

Anam Azhar

"As a trainee Doctor and new to the area, I support the campaign for a new Whipps Cross Hospital."

Peggy Carter

"I can't fault the care at Whipps Cross, but there are too many people using the current hospital facilities to cope with. It would be nice to use the space around the existing building to expand the hospital."

Zaheer Abas

"The current Whipps Cross site is hard to navigate, so I support the campaign for a new, more modern redevelopment of the hospital."

Love Your Borough 2017 Winners Announced!

We share the inspirational, heart-warming and moving stories of how organisations and individuals make Waltham Forest simply fantastic.

In Waltham Forest we are extremely proud of our communities, our community groups and the individuals who help make the borough the great place that we enjoy today.

This year we have heard the most inspiring, heart-warming and moving stories of heroism, dedication and generosity of spirit.

The annual Love Your Borough Awards give us the opportunity to acknowledge and thank the men and women of our borough who help make it a safer place, who go out of their way to help those in need, who selflessly give their time for the benefit of others and offer a helping hand to those less fortunate members of our community.

We thank those who have nominated and brought these good acts to our attention and we thank our sponsors who's contributions make it possible to stage the Love Your Borough Awards without placing a burden on council tax payers.

We share some of the stories and the award winners with you here.

Uniformed Service Hero Award

Winners of the Uniformed Service Hero Award, Leytonstone Green Watch

Winner | Leytonstone Green Watch

Fire Fighters of Leytonstone Green Watch were praised for their heroism when they were presented with a distraught father shouting for help with his unresponsive baby in the advanced stages of turning blue.

The team immediately took control of the situation and although several unsuccessful attempts were made, Watch personnel continued to work hard to revive the baby while colleagues gave the parents comfort and reassurance during the horrifying ordeal.

Much to everyone's relief the little girl began to cry. The Watch team administered oxygen and kept her closely monitored while the London Ambulance Service paramedics arrived to take the baby to hospital. Their dedication and professionalism saved the day.

Making Waltham Forest Safer Award (joint)

Winner | Leytonstone Red Watch

While out on routine duties, Firefighters: David Moxley, Jason Neate, Richard Franklin, Andy Gager, Al-Lan Bentman from LFB – Leytonstone Red Watch, felt compelled to help after a local retail store was robbed of some of their high value items. The firemen were alerted by the robber bursting from the shop followed by a woman and the store owner shouting for help to catch the robber.

The firefighters were no match for the robber, who after attempting his escape through back streets, over hedges and garden walls – until one of the firefighters warned he was about to attempt to jump a 'live' electric fence – he was finally cornered. The live electric fence was in fact, an ingenious bluff.

PC Nick Palmer and PC Sarah Rogers and in uniform David Moxley, Jason Neate, Richard Franklin, Andy Gager, Al-Lan Bentman

Winner | PC Palmer and PC Rogers

A highly distressed woman, with a large knife, attempting to throw herself from a bridge to the traffic below was the real life drama that unfolded for PC Palmer and PC Rogers. The distressing events would surely have brought life threatening injuries to the woman, and possibly other members of the public had it not been for the swift actions of the PCs.

Following a tough struggle the officers succeeded in wrestling the knife from the woman and bringing her to safety. As a result of PC Palmer and PC Roger's quick thinking and self-less bravery, serious injury was prevented. The woman was able to receive the help she needed and later thanked the officers for helping her.

Citizen of the Year Award

Winner | Katherine Foreman

Citizen of the Year Katherine Foreman is a highly committed member of the local community. She has lived in Lyndhurst Drive for more than 25 years, a long term Doctor's receptionist and former Salvation Army officer.

Each year Katherine cooks Christmas lunch for 20-30 people who are on their own on Christmas Day. She regularly visits elderly people in her neighbourhood and supports neighbours of every culture by collecting their children from school, babysitting, ironing and shopping. Katherine is 80 years old this year.

Despite working full time as a civil servant, Stephen puts in early mornings, evenings and weekends to do everything from sourcing diverse acts to organising volunteers and collecting with buckets.

The fundraisers have been hugely successful in bringing people in the community together as well as raising vital funds for important causes.

Sporting Inspiration Award

Winner | DCD Football Club

Winners of the Sporting Inspiration Award, DCD Football Club

DCD was launched after Fiona Kingsley, an Occupational Therapist working for the North East London Foundation Trust (NELFT) Children Services and Philip Smith, a Health and Wellbeing Activator from Leyton Orient Trust, became aware how Developmental Coordination Disorder (DCD) impacted on children with the disorder. They found that children were often excluded from playtime football or dropped out of the sport because of negative comments due to their lack of skills.

DCD football club was created to provide children with a safe space to practice and develop their confidence and competence with football skills, without being judged negatively by other children. It provided them with the opportunity to develop their team skills and ultimately build friendships as well as support parents to share their learned experiences with each other.

Arts and Culture Award

Winner | Lucy Harrison and Katherine Green

Lucy Harrison and Katherine Green set up the Ex-Warner Project in 2014 to reveal the history and heritage of the red brick flats and 'half-houses' of the Warner Estate, which have come to define the architectural character of Waltham Forest.

The exhibition has received to critical acclaim, and attracted local as well as national press, including the Guardian newspaper and a special feature in Time Out. The artistic quality of the exhibition is excellent and has been seen and enjoyed by thousands of visitors to Vestry House Museum.

Phil Quinlan from CDS, presents Lucy Harrison and Katherine Green with the Arts and Culture Award

Mother Maria Emeagi, winner of the Leader's Business Award

Leader's Individual Award

Winner | Mother Maria Emeagi

Mother Maria Emeagi has transformed the lives of many vulnerable children and their families in the London Borough of Waltham Forest. She is a skilled professional who is committed to bringing children and their families together, removing barriers to learning and improving access to curriculum for young people.

She is an experienced inclusive education manager and has so far been coordinating and managing the development of projects professionally at the Marian Mission Centre in the borough with both professional staff and volunteers. Mother Maria has undoubtedly changed the lives of countless young people in the borough for the better.

Leader's Special Commendation Award for Local Corporate Responsibility

Winner | Brendan Riney

Brendan was one of the managing Directors of JB Riney & Co Ltd, an East London based civil engineering contractor working in partnership with the WF Council for over 13 years. His exceptional commitment helped the Council to deliver the successful Olympic Games as well as to improve our highways for walking and cycling.

Brendan put his heart and soul into Waltham Forest residents' welfare for the past thirteen years. In October 2012 he was presented with a MBE by Prince Charles and a Irish Community award in 2016 for his contribution to charities in the London area.

He worked tirelessly over a significant period of time, dedicated to the promotion of social value in our borough, combined with a strong sense of social and environmental responsibility. This award is in honour of his legacy and his dedicated work and local corporate responsibility.

The Leader's Special Commendation Award for Local Corporate Responsibility was received by Brendan's daughter Charlotte Bristowe

Improving Your Neighbourhood Award

Winner | Olly Price

When the St James Street area won a £1 million grant from the National Lottery to enable local people to make lasting changes to their neighbourhood, the project began to fall apart due to lack of support and leadership. Despite his many other commitments, Olly stepped in to take on a role that no one wanted and breathed life into something that was otherwise stagnant.

He put hours into organising fantastic community events designed to get everyone involved, whatever their background or level of interest. This means that his community can draw down £1 million to improve the local community that would otherwise have been left unspent.

Olly Price, left, winner of the Improving Your Neighbourhood Award

Yardarm, was the joint winner of the Leader's award for Business

Leader's Award Business

Winner | Yardarm

Following the successful refurbishment of Francis Road in Leyton, Dan and Eliza have opened a delicatessen and coffee bar called Yardarm. This has proven to be a very successful and much wanted community facility.

Yardarm is also seeking to expand to provide a bistro in Francis Road. This business project has greatly improved the High Street offer for Francis Road and is a beacon for the new generation of businesses opening across the borough.

Leader's Award Business

Winner | Leyton Technical

Leyton Technical pub began its life as a pop up pub situated in the old Leyton Town Hall, Leyton High Road. It was a great success and soon became a permanent fixture providing food, music and a cultural venue for the south of the borough.

Over recent years public houses have been under severe threat and many have closed. Leyton Technical has shown how a public house can be successful and provide a much needed community venue. This venue has enhanced, substantially, the entertainment offer for Leyton.

The Leyton Technical Pub was Joint winner of the Leader's Award for Business

Wheely good fun at first ever Summer Fest

A thousand cyclist whizzed across the finishing line at Le Tour de Waltham Forest

A thousand cyclists whizzed across the finishing line of Le Tour de Waltham Forest last month – more than double last year's total. The annual cycle event was held at the first ever Leyton Summer Fest which took place on Saturday 24 June in Leyton Jubilee Park.

Riders raised £2,000 for the Haven House Children's Hospice while tackling one of four cycle courses – from the gentle bronze route for beginners to the challenging platinum route for expert riders, there was something for everyone.

Aside from the Le Tour de Waltham Forest cycle extravaganza, the Summer Fest hosted a wide range of activities for the whole family to enjoy including target golf, bean bag toss competitions and a Kids Zone where younger attendees could take part in creative activities and sports taster sessions.

- There are five William Morris inspired figures by Irish sculptor John Francis Kavanagh in niches outside the Council Chamber. The Assembly Hall also has the William Morris quote 'Fellowship is life, the lack of fellowship is death' carved above its entrance
- As part of the London 2012 Olympics, the Olympic Torch passed by the Town Hall, carried by inspirational figures from the borough
- Under the coat of arms foundation stone there is a time capsule of plans and keepsakes, so generations to come can have an insight into the lives of people in the borough before the war

Beating heart for Chapel End

Redevelopment open iconic Town Hall campus to residents

Proposal will save £500K to £1m of taxpayers' money each year

Waltham Forest Council has this week announced its vision to redevelop the Town Hall campus in Walthamstow, opening up the iconic site to residents.

The proposals aim to be cost neutral and will save £500K to £1m of taxpayers' money each year.

The masterplan, passed by Cabinet, includes:

- Opening up the Town Hall Campus so it can be enjoyed by residents
- Opening retail and café space to create a new community in the heart of Chapel End ward
- Opening up and pedestrianising the area around the fountain and creating new park space, including creating a Centenary Garden to mark the end of the First World War
- Restoring the War Memorial to its former glory
- Building housing on the car park to the west of the town hall of which 35 per cent minimum will be affordable
- Building office space to the east of the Town Hall to house council staff and staff from public sector organisations as part of the One Public Estate Programme

As part of the project, the council will close nine older, less efficient offices - including the Grove Road Registrar's office - across the borough and move staff into the new office space on the Campus site. The land that is released will be turned into much needed housing for residents. It also means that the Town Hall and Assembly Hall with its Art Deco heritage will be protected for future generations as the project will provide funding for the council to invest in repairs/refurbishment. The new office building will also provide modernised comprehensive reception facilities for residents.

As part of the redevelopment proposals the Council will also be looking at parking provision on the site with the possibility of a new underground car park.

Cllr Clare Coghill, Leader of Waltham Forest Council, said:

"This is an ambitious vision for the Town Hall Campus will allow us to deliver on several of the council's priorities; it isn't just about bricks and mortar, we are creating a new 'beating heart' for Chapel End ward.

"It provides us with an opportunity to create a thriving, dynamic community with long term benefits such as affordable housing and gives people more choice, boosting the local economy and jobs. It also means we can improve the health offer in the area and it will boost the economy and bring more jobs to the area.

"By releasing council owned buildings elsewhere, we can breathe new life into other areas of the borough."

In July and August this year the council will ask residents for their views.

In brief

Crowd fund for May Morris

A crowdfunding campaign to display an exhibition by May Morris, daughter of William Morris, has been launched by the William Morris Gallery. It hopes to raise £15,000 in 30 days to display 'May Morris: Art and Life'. There are a range of rewards, from tote bags to private tours, available for those who donate. Rowan Bain, WMG curator, said: "For too long May's unique contribution to design has been overshadowed by the legacy of her father. If we're successful we can finally give her the recognition she deserves."

Stanley Road car park

The Council is in the process of identifying underused commercial sites that could be developed to create new homes to meet local need, and keep residents from being priced out of the borough. Stanley Road Car Park has been declared surplus to requirements and the Council is proposing to redevelop the site for housing. If this goes ahead, the number of parking spaces will be significantly reduced and the car park will close altogether for about 18 months while the building works take place. A consultation for residents and businesses to give their views on the proposal launches today (Monday 3 July) and will be open until 14 August.

• You can take part online at www.walthamforestgov.uk/stanleyroad

Works to start at Ive Farm

Residents living near Ive Farm in Leyton may have noticed that preparation work has begun on site. Fencing, entrances and signage are currently being installed ready for the works to start. The Council will invest up to £10 million in the scheme which will bring Ive Farm back to life as a sports venue and offer residents a range of facilities including two artificial pitches for multiple sports, four beach volleyball courts, a 60m sprint track, pavilion with office, toilets, changing rooms, fitness trail, spectator seating and picnic areas. The project aims to open to the public in summer 2018. The Council's contractor Wilmot Dixon will maintain a site office and will work with the Council to ensure residents are fully engaged.

The Reading Agency and libraries are delighted to present the 2017 Summer Reading Challenge, Animal Agents – a whole host of clever creatures, ready to solve all kinds of crimes! This band of furry, slippery and feathered friends is specially trained to use their skills and natural instincts to unravel mysteries – with a huge helping of fun along the way.

It's FREE to join and children can collect cards, have fun, and earn a medal and a certificate, all while discovering great new books. Join up at your nearest library and read any six library books (or more!) over the holidays to collect special rewards and complete the Challenge. The Animal Agents will also be happening at South Chingford Community Library and Harrow Green Community Library.

PRIORITY 2

Work to ensure that everyone has a decent roof over their head

- **Prioritise affordable housing for local people**
- **Help young people get a decent home in the borough**
- **Push for more services such as GP surgeries and schools as part of new developments to benefit all residents**
- **Improve the quality of housing in the borough**

We know that access to decent, affordable housing is one of our residents' biggest concerns. Families we have consulted with tell us they worry about their children being able to afford to stay in the borough, and are concerned that some new developments do not seem to benefit existing residents.

Housing

Lack of affordable housing is the second most frequently mentioned concern for the residents we surveyed

Housing

Waltham Forest residents could expect to pay around 13 times their annual earnings to purchase a property whereas 10 years ago it was around 7.5 times

PRIORITY 3

Improve our residents' life chances

- **Help residents gain the skills that will get them into work**
- **Improve access to affordable childcare**
- **Tackle isolation and loneliness in older people**

We want to ensure that all our residents have the opportunity to reach their full potential and enjoy a good quality of life. We believe everyone should be able to live happily and thrive in the borough, whatever their age. We know from residents' feedback and local data, that there are important stages in life where people need the most support. We want to ensure that residents get the help and support when they need it.

Life chances

In 2016 7.7% of residents had no qualifications

Life chances

A study found that lonely people have a 64% increased chance of developing clinical dementia
